

SUBCONTRACTOR FORM

Thank you for your interest in partnering with **YMH Construction**. To assess and qualify your company as an approved subcontractor, we kindly request the following information:

- A completed W-9 form for your business.
- Certificates of Insurance for General Liability and Workers Compensation.
- Your official business name (must match the name on your W-9 and insurance certificates).
- A list of areas your company serves (states and/or cities).
- Your trade license numbers for the relevant service areas.
- The type of trade your company specializes in.
- Contact details (name, phone, email) for the following roles in your organization:

Owner/President

Accounts Receivable Representative Project Manager

Superintendent

Foreman

Estimator

Submittals Coordinator

Insurance Requirements:

Certificates of Insurance should meet the following criteria:

- Include YMH Construction as an additional insured using form CG2037.
- Waiver of Subrogation: Required.
- Certificate Holder:

YMH Construction, LLC 1355

570 Piedmont Ave NE #54078

Atlanta GA 30308

You may forward these requirements to your insurance provider for assistance.

We appreciate your cooperation. Please note that qualification is necessary before we can process payments or invoices for your services.

Feel free to contact us with any questions.
